

## Water shortage looming - Town presses for study

St. Albert could be facing a critical water shortage by 1979 and a less severe shortage a year earlier, according to a report by Stanley Associates Engineering Ltd. The report was in the form of a letter to council summarizing requirements over the next five years, which pointed out that since the original water study done in 1973, population estimates by ERPC have been exceeded. These projections

indicated a population for St. Albert of 17,100 in 1974 (actually 19,418) and 19,600 in 1975 (now about 21,000).

Mr. N. Nuttall, representative of Stanley Associates Engineering Ltd., was in attendance for the committee of the whole meeting Monday.

The review report stated that the input of water from the City of Edmonton into the St. Albert system through the existing facilities has an

upper limit, by agreement, of 19.6 million gallons per week.

In terms of requirements (based on the population estimates of the original report by Stanley Associates) this limit would serve a population of 22,500. According to population projections made in 1973, the town would not have a population of 22,500 until 1976.

Stanley Associates note that the maximum daily demand of 3.2 million gallons for a population of 24,800 (as estimated for the population of the town by 1977) exceeds input into the system by 0.4

Please turn to page 2.

## Residents will be polled regarding garbage collection

At the council meeting on May 20, Coun. Myrna Fyfe noted that residents of Sturgeon Heights and Grandin Park are not satisfied with the garbage collection service since the town changed the system several weeks ago.

"I think if residents wish to pay for the system they should know the additional costs that are involved in the costs that are involved in providing the garbage collection system to the entire community and I thought an effective way to convey this information and poll the residents) would be to include a question or a series of questions in the census that is taken around in June," Coun. Fyfe suggested.

Coun. Fyfe felt that the question would give an indication of the number of residents in the town who would be in favour of a return to the "on property" garbage collection which was recently dropped with the introduction of the new garbage collection bylaw. A motion was made by Coun. Fyfe in this regard.

Coun. Lukay was not in favour of the motion but stated that he was in agreement with the intent. He felt that such a question should be a plebiscite rather than a sampling of opinion such as would be received in the method noted in the motion. He also wished to know what action would be taken on the result.

## Community League entertains seniors

A delicious dinner was served last night to about 80 senior citizens and members of the St. Albert Community League Board and their guests. The league were hosts for the occasion and members, both men and women assisted in serving the buffet style meal at the Seniors Rec. Centre.

Mr. Henry Terrault, league president, was master of ceremonies and introduced the members of the board who got a hearty round of applause from the seniors. He also proposed a toast to the seniors present. Ed Savoie contributed an amusing poem about older people. Mr. Terrault called on MLA Ernie Jamison for a few

words and Ernie thanked the league for their kind invitation to "Shirley and myself to attend and enjoy the fine meal provided by Trio Cater-

ing." He noted that there were four citizens of the year present and introduced Ed Savoie, Marcel De Champlain, Dr. Bill Cuts and

Henry Terrault. Ernie also said he looked forward to work getting started on a Senior Citizens Lodge in St. Albert and said the problem at present is with a suitable location being decided upon by council.

Dr. Cuts also spoke, saying that he "had this evening become a Senior Citizen." We have lived here a long time, coming here in 1945 said Dr. Cuts and from time to time some oldtimers like George Kluthe, Neil Ross, myself and others have

Please turn to page 2.

## Tender granted on police building

Council voted 7 to 0 in favour of accepting the low tender given by Harsim Construction for the building of the new police facility on Tache Street across from the Grandin Shoppers Mall.

The bid given by Harsim was the lowest of five received at \$416,715. The police building will be 8,300 square feet and will cost about \$55 per square foot.

A savings of \$55,584 was realized with the omission of certain items in the plan such as ceramic tile in the washrooms. It was felt by the architects that this particular item should be left in the plan, saying that added maintenance costs could result.

Mr. Peter Hemmingway and his associate were present at the meeting and they briefed the council on the situation facing the police building. Mr. Hemmingway noted that all of the tenders received were above the estimate made earlier (the tenders varied from \$570,000 to \$472,299) due to instability in mechanical and electrical union wage negotiations.

Mayor Plain wondered if there would be any delays in getting approval from the RCMP for the building as it is now planned, which would hold back on starting the project. The architects noted that approval takes 39 weeks after the submission of the drawings, but there did not

seem to be any reason for the project not to be commenced.

Coun. Thordson moved that the low bid be approved. The project could be finished by the first of January, 1976.

## Town welcomes Calgary Power

A public hearing has been set for June 16 to deal with the rezoning of a piece of property located along the Sturgeon River for use by Calgary Power for a million dollar administration and service centre.

The 5.2 acre property was formerly known as the Bussche property.

Mayor Richard Plain said that the project would generate between \$800,000 and \$1,000,000 in payroll, and represented the type of

industry citizens were in favour of having within the town, and the type of industry that should be welcomed and encouraged.

Coun. Thordson wanted to know how the development related to the proposed location for the regional shopping centre, and Mr. Byron, administrator, noted that it was located right next to it.

Construction could commence in late summer if the rezoning is approved.

The tragic death of three of our young people in two separate car accidents over the weekend has saddened the whole community. It is so very hard to lose fine young men and women who had so much of their lives to look forward to, and so much promise as future citizens.

All their young friends will be finding it almost impossible at first to believe - and an experience which will be difficult to understand for a long time. Why these?

Their heartbreak and the heartbreak of the parents and brothers and sisters is being shared in part by all the families in St. Albert. This reaching out of sympathy will surely help to comfort the grieving families and students.

All of us who are parents feel so terribly vulnerable in the face of such a tragedy, for none of us are immune. We can pray that the Grace and Blessing of the Lord will comfort and sustain all members of the sorrowing families.

The Rodeo 114 Rodeo Queen Contest quintette!! From left are Gina Bell, Ruth Borle, Wendy Versteat, Barb Morgan and Janie Boslak.

A PLEASANT FRIDAY AFTERNOON listening to band music at the Father Jan School. If the weather had been better the listening could have been done at the Lion's Park. Bands from Chilliwack, B.C., the Lethbridge Central Catholic School, Lorne Atkins and Father Jan Schools took part in the festival.

## Hospital Auxiliary girls awarded pins for service

Since the Ladies Auxiliary to the Sturgeon General Hospital was formed in 1969, the year before the hospital was opened, records have been kept of hours of service contributed by members and pins have been awarded annually at the spring ball to the deserving members. President Mary Bondarevich has supplied a list of these hard working women in the Sturgeon Hospital District. Those with 500 hour pins had, of course, earlier received 100 hour pins as well.

### 500 HOUR PINS

Mary Bondarevich, Mary Campbell, Sheila Cooper, Bernice Deutscher, Isola Durocher, Liz Emmerson, Lois Fabi, Peggy Fairfield, Eileen Gibbon, Judy Gilbert, Mary Halwa, Ann Hepburn, Odile Lesburg, Donna Lowe, Shirley McQuitty, Marion Reinbold, Marie Sharp, Alice Scheibelhofer, Betty Williams, Doreen Williams, Jean Varner, Helen Young.

### 100 HOUR PINS

Chris Bendick, Yvonne Bertsch, Anna Bokenfohr,

Felina Borle, Charlotte Bradfield, Peg Bradfield, Lorretta Cady, Medeline Chubey, Wentie Cote, Phyllis Dixon, Lil Erickson, Pat Fleming, Bonnie Furber, Betty Gagnier, Doreen Gare, Winnie Gates, Terry Gibeau, Rita Graham, Doreen Heron, Marion Kay, Juliette Lema, Evelyn Linden, Ruth Oulmet, Doreen Pollard, Crystal Roman, Bette Smithson, Laura Savoie, Priscille Schafer, Rhonda Stapleton, Laurel Thronsdon, Miriam Vallee, Jean Webber, Zora Wetanko, Kay Wilson, Audrey Wood, Melittia Wollenweber.

Mr. Gerry Belke [left], MLA Ernie Jamison [centre], and Ben Randsmski [right], participated in the draw for the various contest put on during the Lucky 13 birthday celebration for the Grandin Shoppers Mall. [The girl in the background was not identified]. Winner of the trip for two to Hawaii was Mrs. S. Tallas and the winner of the trip for two to Campbell River for fishing was Garth Desrosiers. Winners in the Sweetheart Jewellery contest was Mrs. P. Packelky. The winners in the Dori Lynn Fashions draw were Pat De Champlain [Thursday], Joyce Wallis [Friday], and Mrs. A. Owen [Saturday]. All winners were from St. Albert.

## Five pretty girls are Rodeo queen contestants

The Kinsmen Rodeo 114 includes a contest which probably interests all the cowboys but does not really involve them in any capacity other than as appreciative spectators. The attraction

referred to is, of course, the Rodeo Queen Contest. This year's event has some worthwhile attractions to be sure.

Gina Bell, far left in the photo, is blonde and blue-eyed and is interested in a

career as a lab technician. Gina is a bicyclist who enjoys all sports. Sixteen year old Gina has a dream to become a "great athlete."

Ruth Borle, second from the left, is a future airline stewardess with a variety of interests including skiing (on water and snow) and "good music." Blonde and brown-eyed, Ruth has hopes of owning a Corvette someday. She is an 18 year old grade 12 student at St. Albert High.

Seventeen year old Wendy Versteate, third from left, is working toward a career in modelling. Wendy is a grade 12 student at St. Albert High who fills her spare time with sewing, singing and drawing.

Fifteen year old Barb Morgan, second from right, attends Paul Kane High School. Her impossible ambition is to become a female mountie and she lists riding,

cooking and playing piano among her extra curricular activities.

Janie Bosiak, far right, is a grade 10 student at Paul Kane High. Her ideal is living on an acreage since she owns her own horse. Janie has a talent for acting and is accomplished in Highland dancing. Janie feels a career in forestry is her aspiration and her "impossible dream" is to be a forest ranger.

The Rodeo 114 girls are involved in a host of promotional activities for the event and will be active in the next few weeks with public appearances in person and on TV.

## garbage

Continued from page 1.

Coun. Thronsdell felt that such a poll is a need and, while the town would not be bound by the results, it would constitute an indication of feeling. He felt that if enough support was indicated a plebiscite could be held.

Coun. Breadner felt that a better sample of opinion may be received from a question included in a census than would result from a plebiscite. He noted that in all likelihood the greatest degree of dissatisfaction would be heard from Grandin and areas which are used to the old garbage service.

In council's discussion of the motion it was noted that the questions would need to be adequate to give an idea of the feeling of residents on the subject, what action would be followed by the town regarding the expression made, and how such a question would be received in light of the other information being sought at the same time. (Other information will also be sought when the census is being taken and concern was expressed that this procedure would be overly time consuming and require extensive information to be an adequate polling.

## seniors

Continued from page 1.

talked about doing something for ourselves, and he congratulated the WI on the tremendous job they did in providing this centre. "No we need a lodge - a place for us older people to live," he said - and we have to keep prodding our MLA to get this started this year.

In thanking Dr. Cuts, Mr. Terrault noted that he had been a resident in St. Albert for 75 years - drawing a round of applause. "Of course I wasn't very big when I first came," he added - and his wife Claire spoke up - "And you're still not!" Henry recognized the Senior's President Mrs. Kemps who came forward and said that the seniors had collected a dollar a head as a contribution to the dinner, and that they had enjoyed it very much. But Henry would have none of that and called her back to return the money to the seniors. "We wanted to do something for you people," he said.

Then it was time to clear away the tables and make room for Danny Boisvert and his band who came in to provide music for an enjoyable dance to conclude the festivities.

## water

Continued from page 1.

million gallons. The situation in 1978 (an estimated population of 27,200) will be a weekly demand of 21.4 million gallons exceeds the input by 1.8 million gallons. The situation in 1979 (an estimated population of 29,700) will put the maximum four week demand at 84.0 million gallons which exceeds the input by 5.4 million gallons.

Based on this data, the report states, the town should have an additional water supply in service by 1979, if not - water shortages and rationing could be commonplace.

tion being sought at the same time. (Other information will also be sought when the census is being taken and concern was expressed that this procedure would be overly time consuming and require extensive information to be an adequate polling.

Mayor Plain felt that there was no real need to proceed with the exercise and the areas which would register dissatisfaction would be those areas in the town which experienced a change in service. (Not all areas of town were using the 'on site' garbage collection and these were not effected when the service changed).

The mayor noted that the results of the survey taken by the garbage department showed that 1/2 of the town residents were using the 'on site' garbage collection while 1/2 were placing their garbage at the curb for collection.

The motion carried 4 to 3, Coun. Wetsch, Lukay and Mayor Plain voted against. The town's administration will be bringing back possible alternative questions for council to consider for the polling.

Considerable discussion ensued on this topic at the committee of the whole meeting on Monday, May 26. The committee members were not able to agree on the best way in which the question could be put to the residents of the town in such a way that the implications of the return to the previous system of garbage collection.

Coun. Fyfe moved that the question put to the residents of the town when the census is being taken read "council recently decided to have all garbage picked up by done at the curb to decrease costs. Are you in favour of having your garbage picked up back on your property at an added cost of 27¢ per pickup?"

Coun. Breadner amended the question to read: "Are you in favour of retaining the present system?" Coun. Wetsch amended the motion so that the total saving to the town would be included in the information (\$88,000 approximately). Coun. Breadner also amended the motion to delete the per pickup cost and insert the total cost per year extra (about \$14,000).

Coun. Wetsch's amendment carried 7 to 0. Coun. Breadner's motions both carried 5 to 2 with Coun. Thronsdell and Fyfe in opposition.

Coun. Fyfe's original motion carried 6 to 1 (Coun. Wetsch was opposed).

Coun. Barry Breadner pointed out that the town is committed with approved development to a population in excess of 27,000. On that basis, Mr. Breadner felt that another water supply line should be sought immediately.

Mayor Plain noted that at the outside the town has about six months to consider alternatives for water supply and plan for whatever course will be followed. He said that there could be alternatives other than purchasing water from the Edmonton system, noting that with the rates being offered by the City of Edmonton, the feasibility of the town constructing its own water treatment facility should be examined, along with any deal which could be worked out with the City of Edmonton. Mayor Plain noted that \$15,000 would be available from the federal government for the water study.

The mayor informed council that the department of environment study of the feasibility of setting out a long run regional water system was found feasible it would take at best three years to have the water line in place. The mayor noted that this could mean a dry year for the residents of the town in the third year and the town could not sit back and do nothing.

Coun. Fyfe inquired as to what areas were being examined by the department of environment and Mayor Plain replied that the north-west area would be under examination. Coun. Fyfe noted that the areas under examination for alternative sources of water would lie to the north rather than to the west.

Mayor Plain said that St. Albert has got to have water and must have a study on the matter. He explained that those other municipalities who might be interested could participate, but if they did not wish to do so St. Albert would go on its own.

Mr. Nuttall explained that the provincial government was interested in the case of St. Albert in terms of this community being an area where if the separate system was viable, then they were prepared to regard the proposal "on a go ahead basis." Mr. Nuttall said that the province would like the town to regard areas such as Spruce Grove and Stony Plain as buyers if the system did prove to be a viable operation.

Mr. Nuttall was asked if the study could be completed in a four to six month period and noted that the study would be rushed but all that the province wished to know was whether or not the proposal is viable - a yes or no proposition. He also noted that if the system was not a viable proposition for St. Albert alone, the proposal could be examined on a regional basis but it was initially important to discover if the system would be viable for St. Albert.

## SEWER STUDY

The subject of a Regional Sewage Study was also discussed with Mr. Nuttall. He pointed out that the de-

## Thanks for not much help

This is just going to be a short note of thanks for ALL the support the Little League Association receives from the parents of the Little League players. It is really nice to see one parent from a team of 12 kids. The rest of, I am sure, must all have broken limbs and are unable to make it to your own son's games.

Also a short thanks to the Town of St. Albert. It's very gratifying to know that we may get a new diamond after the season is over. Also for the fine shape all the diamonds are in.

You've left the basepaths just deep enough so that some lucky youngsters may possibly put three or four teeth under his pillow for the

tooth fairy. All at the same time; who cares if the pitcher doesn't have a pitcher's rubber, he'd probably just scuff it up anyway. Don't worry about the few holes here and there in the diamonds. When kids are young they recover quickly from a broken leg. They heal quickly you know.

Basically what I'm saying is thanks from all the kids. They appreciate and know how much effort you two groups are putting forth to make sure they have fun with their cheap babysitting service - the Little League.

Terry Shaw,  
Sturgeon Road.

## Dog catcher not a villain

In answer to the letter to the editor May 21, 1975 by Mr. Gary Moholity.

First, may I say welcome to St. Albert, second, since when does the pound call the dog owner? The dog owner is supposed to phone the pound.

There is a well-run pound in St. Albert and they are trying their hardest to keep up with the pet overpopulation problem. There are wild cats and dogs everywhere thanks to brainless pet owners who refuse to limit their pets to just being pets instead of constant breeders of unwanted cats and dogs.

Better that your dog was put to sleep, then slaughtered on the road, starved to death or worse. Be thankful there are people picking up lost pets, strays, etc. Think how horrible it would be to have packs of cats and dogs making our city streets unsafe for our children.

I am a pet owner. My female dog has been spayed and our small male housecat will be neutered when he is

old enough. Then at least I know that I won't allow my pets to breed anymore unwanted animals and increase the already over-crowded pet population in this city. Approximately 15,000 pets were destroyed at the Edmonton pound last year and hundreds more died more cruelly.

Please quit thinking of your dog catcher as a villain. He hasn't created the problems he's trying to solve... we pet owners have and it's time we faced the fact. Visit our pound, talk to the man who runs it and most of all support him by having your dog or cat spayed or neutered, teach your children to help him round up the lost pets or strays, instead of yelling names at him. He works to protect you and your pets from harm. Mistakes are made, but after all we are only humans... right?

Tired of making the dog catcher a villain.

N. Hembroff,  
Forest Lawn.

## Rodeo week crowded with fun activities

Kinsmen Rodeo 114 chairman, Gerry Rayburn, reports that the St. Albert Rodeo is the 10th largest outdoor rodeo in Canada. That is a big pair of cowboy boots to fill but rest assured that the Kinsmen Club of St. Albert will have no trouble filling them. The 1975 version of the rodeo promises to be a 'heck' of an event if the plans imparted to the Gazette are any indication.

Beginning June 8 the wild west theme will come to St. Albert commencing with the proclamation of Rodeo Week in St. Albert by Mayor Richard Plain.

On Sunday, June 8, Lions Park will be the scene of a family picnic at 2:30 along with competitions of various sports and varied entertainment. The crowning of the Rodeo Queen will also take place.

Included in the music and talent show are such notables as the Morinville Frontier Dollies, Sherwood Park Dodd's Majorettes, White Earth River Band, St. Albert School of Dancing, St. Albert Square Dance group and perhaps Pitch and Spice.

There will also be a Tug-of-War between service clubs, a horseshoe pitching contest, and a grand slam canoe race. The canoe race is open to public entry at a \$5 entry fee and the first prize is \$75. Mr. Hiite will be on the river in his jet boat to pull people out.

Activities during the week include the St. Albert-on-Sturgeon Players melodrama production (June 10 and 11 in the Grandin Clubhouse), a sale of arts and crafts, Little League Baseball finals (June 9 to 13), Girl's Softball finals (June 9 to 13), Senior soccer games (June 9 to 13) and scheduled lacrosse games.

June 12, a Thursday, will feature a beerfest at the arena with the band "Patch." June 13, a Friday, will also feature a beerfest at the arena with the same band.

June 13-the midway opens at 6 p.m., and is kiddies day with free admission to everybody. Rides on the midway are 1/2 price to kids under 12.

June 14 at 10 a.m., is the time for the rodeo parade which should be a great one. Twenty floats, 15 marching bands, the Edmonton Klondike Stage and Outriders, and the Edmonton Antique Auto Club will be feature attractions.

At 12 noon on June 14, the midway opens. The first rodeo performance takes place at 2 p.m. The Canadian Armed Forces Paratroop team will be making an appearance (from about 5,000 feet). And to top the intermission entertainment, the Edmonton Klondike Riders will be performing a mounted square dance.

June 14 also features the "free" beerfest, (admission free only), from 12 noon till 6 p.m. in the arena. A host of musical entertainment is featured for the 'fest' including Edmonton Strutters, Edmonton All Girls Drum and Bugle Band, Hobbema All Girls Drum and Bugle Band, Edmonton Klondike Drum and Bugle Band, Morinville Frontier Dollies, and the presentations for best entries

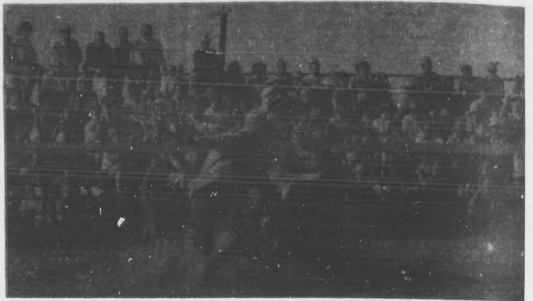

in the parade will be made. On Saturday, June 14, the evening rodeo performance will take place at 6 p.m., and the beerfest commences at 8

p.m. The beerfest features the "Band of Sound" who are hailed as being a 'rockin' and rollin' group.

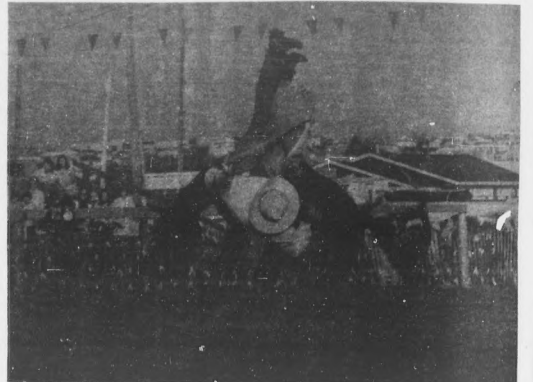

On Sunday, June 15, there

will be a rodeo performance at 12 noon and 2:30.

Whew! That's quite a list of things to catch in one week.

Wild action is the attraction at St. Albert's Kinsmen Rodeo. Rodeo 114 should prove to be a super event with cowboys and cowgirls from all over the region in town to catch the action. The picture illustrates the action which took place at Rodeo 109 in 1970.

The cowboy in the photo is taking a dive, whether he wants to or not, at the St. Albert Rodeo 109 which took place in 1970. This is the type of action which rodeo fans in St. Albert will be seeing this year at Rodeo 114 (weather permitting). Let's keep fingers crossed for the Kinsmen Rainmakers.

## Discipline major concern at trustees seminar

Discipline, and all its ramifications for students and teachers, will be considered by hundreds of Alberta school trustees in conference at their annual Trustees Seminar at Banff early in June. One of the highest registrations in the history of the seminar has been recorded so far, according to seminar organizers.

Held at the Banff Centre June 2 to 4, the seminar has as its theme "Developing a Climate for Learning." Components of this theme include consideration of punishment needs and form for students; whether discipline supported by punishment makes for better students; how to handle problem students; discussion on whether students are being spoiled with too little work and too much play; can schools be all things to all students; and other similar related topics.

The trustee seminar is held in conjunction with the

annual school business Short Course for administrative personnel on school boards. This group, whose program will overlap to some extent with that of the trustees, will discuss principles of management under the guidance of Dr. Stephen Covey, associate professor of organizational behavior and business management from Brigham Young University, Utah.

Seminar resource persons for the trustees will be Professors Bob Patterson, Dave Wangler and Gerry Taylor of the department of education foundations at the University of Alberta.

The new minister of education, Julian Koziak, will attend the session and address the trustees and school business officials.

## Council to write minister on "death row" highway

Mayor Richard Plain said that the matter of improving safety conditions on Highway 2 would be one item discussed at a meeting with the minister of highways in the near future.

The mayor made this remark at the committee meeting on Monday, May 26, in response to a comment made by Mrs. Bakker during the deputations and delegations segment of the agenda.

Mrs. Bakker noted that highway accidents this weekend had claimed the lives of St. Albert residents and was concerned with safety conditions on the highway. She noted that about three years ago council had met with the MLA regarding the matter and efforts have failed to bring any improvement.

Mrs. Bakker suggested that the topic of highway safety be included on the agenda and Coun. Barry Breadner moved to include the topic as 7f.

During discussion of the item as part of the agenda, Coun. Rod Thronsdon moved that an ad hoc committee be struck to examine all aspects of the highway with the emphasis on safety.

Mayor Plain suggested an amendment to the effect that the ad hoc committee membership consist of representatives of the RCMP, the Safety Council, and any other individuals or organizations which would be appropriate.

The amendment and the motion carried 7 to 0.

Mayor Plain wondered if it would be appropriate to convey the concerns of the council regarding the safety conditions of the highway to the minister in a letter. Coun. Lukay felt that such a letter would be appropriate and noted "we have a problem and that accident is an example." He called the situation of transportation via the highway "horrible."

Coun. Fyfe suggested that a member of the planning department sit on the ad hoc committee to provide input. She noted that the highway was becoming "death row" and stated that she had heard that the St. Albert Trail was becoming another Highway 2 south. "It takes tragedies like the ones this weekend before something is done by the provincial government," Coun. Fyfe said.

Coun. Margaret Smith felt that the move suggested would fit in with the concern of council regarding the

Northwest Freeway system of Edmonton which the city has recently elected to drop from its plans. She suggested that this would aid representations to the department of highways.

Mayor Plain moved that

council indicate in a letter that a tragic incident has occurred and the situation could have been avoided if improvements were made to the transportation routes into Edmonton.

The motion carried 7 to 0.

## THANK YOU

## Early arts of Latin America

"Early Arts of Latin America" is a newly designed exhibition at the Provincial Museum in Edmonton. With the help of an anthropologist from the University of Alberta, prehistoric and modern artifacts have been gathered from the collections of the Devonian Group in Calgary and the University of Alberta.

These art objects range from pottery vessels dating

from the time of Christ to men's and women's costumes worn today in remote villages. Motifs in the pottery from Costa Rica and Ecuador include serpents, jaguars and frogs. Delicate objects of feathers, shell and bark come from the tropical forests of the Amazon basin in Brazil. To these Indians, it is the wearing of feather ornaments that distinguishes human beings from animals;

so each item has symbolic significance as well as intricate craftsmanship.

Among the Incas of Peru, gold was considered to be the sweat of the sun, and in Latin America gold was not a medium of exchange, but a metal utilized for its beauty. The exhibit includes delicate gold figurines, a hammered helmet, and nose rings for facial ornament. Another intriguing item is a necklace of alligator teeth trimmed with gold, a remnant of a culture in Panama a thousand years ago.

The Provincial Museum of Alberta is exhibiting "Early Arts of Latin America" till June 22 in Feature Gallery #2.

### For David Neeser:

Although you'll never read this  
Or anything again  
We are devoting these last words to you  
In hope you'll feel our thoughts.

We all loved you when you were with us  
We will love you now you're gone  
You gave us all you had to give  
In every way you could  
But now you have left us  
So tragic and so sudden  
Never to return again  
You will always be with us  
In heart and mind and soul  
For we will always miss you  
Until we meet  
Somewhere, sometime again

With all our love  
From all your friends  
Marg Ripley.

### AGT GOOD NEWS PARTY LINE

Free lectures on Transcendental Meditation are held every Wednesday night at NAIT in Room T615, and every Thursday night at Alberta College in Room 405. Lectures begin at 8 p.m. Phone 465-6620 for further information.

Notice to the residents of St. Albert: Paul Kane High School is hoping for hold a relay bicycle race on Wednesday, June 4 between the hours of 1 p.m. and 3 p.m. The race will take place on the roads skirting the Paul Kane - Lorne Akins School complexes. All motorists please watch for and obey flagman.

**St. Albert Fire Fighters Local 2130** will provide courtesy transportation for the Senior Citizens to the Rodeo Parade June 14, 1975. Loading at Youville Home at 9:30 a.m., and at the Senior Citizens Recreation Centre at 9:45 a.m. Coffee and donuts to be provided at the Senior Citizen's Recreation Centre. For further information contact - Mrs. N. Zoltenko, 58 Belmont Drive, phone 459-7304 or Mr. B. Morin, 20 Mount Royal Drive, phone 459-6536.

JOHN ZITS, MANAGER

Consumer and Corporate Affairs Minister Andre Ouellet today released the final agenda for the national seminar on Consumer Product Marketing and the Law, which takes place in Ottawa on June 12 and 13 at the Chateau Laurier Hotel.

"This meeting of industry, consumer and government representatives will provide a unique opportunity for free and full discussion of the federal laws which govern the marketing of products for consumer use in Canada," the Minister stated.

The program is based upon a series of nine workshops. These sessions cover a range of federal legislation and programs including advertising, food labelling, nonfood labelling, intellectual property, consumer product safety, metric conversion and measurement methods, performance labelling, food standards and competition policy. Information and general policy guidelines will be outlined to the delegates, who will have the opportunity to respond to the programs and express their views and concerns.

Mr. Ouellet will open the seminar on Thursday morning, June 12, with a keynote address.

## Craft Guild plans Rodeo sale

The St. Albert Arts and Crafts Guild are arranging the rodeo sale for Sunday, June 8, opening day of Rodeo Week. Each of the crafts groups will organize their own displays and all members and non-members associated with Guild crafts are invited to submit articles for sale.

The chairman of the various craft groups involved in the sale are as follows: copper enamelling: Ev Grant 459-6507 evenings; Weaving Elda Soder, 459-8393; Creative Crafts: Linda MacPhee,

799-3516; Pottery: Carol Stanton, 458-2110; Painting and Miscellaneous: Wendy Charlton, 459-3912. Artists wishing to take part in the sale are requested to get in touch with their chairmen regarding setting up for the sale.

The organizers would like to know by June 6 the amount of items which contributors will have for sale. Further information and inventory sheets may be had from Wendy Charlton, 459-3912 or Marlayne Lister at 459-3694.

The farmer was hooking a chain from his huge tractor to a stranger's Cadillac stuck in the mud. "You're not going to hook that tractor to my \$9,000 car, are you?" the worried car owner asked.

The farmer unhooked the chain and got back on his tractor. "No, mister," he said, "I'm not going to hook my \$18,000 tractor to your \$9,000 car."

# Students relive uprising during exciting history lesson

Gathered at the graveside of Nez Perce on Cutknife Hill, with Poundmaker's grave behind them, students of St. Albert High listen intently to the story of John Tootoosis, who, as a boy of about 12 years, had been witness to the famous battle on the hill during the Northwest Rebellion in 1885. Teachers Marion Ferry and Paul Chailfoux are seen at right.

Twenty-five St. Albert High students from the Social Studies 10 class and several teachers set out by bus to Duck Lake, Saskatchewan, in order to visit

first hand, the places of historical significance in the Northwest Rebellion 1885.

It was an exciting lesson in history to wander on the palisades of Fort Carleton and listen to the stories of Martin Dumont (great nephew to Gabriel Dumont). The group examined the original church and rectory and the trenches at Batoche as they reviewed the events of the battle that had been fought there exactly 90 years previously. The museum at Duck Lake provided further insight into the events and times of Louis Riel.

Saturday night the group was treated to, and participated in an authentic pow-wow, complete with costumes, drums and singers, performed by the Duck Lake Residential Students and directed by Gordon Tootoosis. Meeting Gordon was a special delight for he stars in the recent movie "Alien

Thunder" which was filmed at Duck Lake, and depicts the fortunes of the outlawed Indian, Almighty Voice.

The North West Mounted Police Museum at North Battleford held further stores of historical treasures and information concerning both the Rebellion and early settlement of the West. The students stood on Cutknife Hill beside Chief Poundmakers' grave and heard from John Tootoosis (whose father witnessed the Cutknife incident) about the part played by Poundmaker and Big Bear in the uprising.

Well supplied with cameras, tape recorder and a portable TV camera, the crew obtained material to produce a TV documentary on the Riel Rebellion, a valuable addition to the schools' resource material.

Students and teachers agreed it was a great lesson in history, but besides that,

the group found time during the four day trip for bonfires, ball games and new friendships.

# Accent on Akins

This article has been hurriedly written, cause being that at present everyone in the school is in a flurry, slightly flustered, full of fun, frolic and activity. As it is my duty to write of all the aforesaid elements, I have scribbled a line about them.

The looming summer holidays account for most of the harried scurrying taking place in Lorne Akins this week. Due dates of assignments are being issued; dire fore-warnings of tests are being listed off to the trembling

students, and everyone is wondering how to end the year with a bang.

The various bands within the school, i.e., Grades 7, 8 and 9 and school bands, have finally honed their talent to such a fine edge that they are now giving one or two performances to the grade six classes of the nearby elementary schools. Tonight, also, they have their big engagement, performing with the Drama Club before parents and other students. The entertainment will begin

at 7 p.m.

Lorne Akins track meet was held this afternoon but I have not as yet been given the results to record.

However, I must now get down to the main reason I am writing, which is to inform all interested of the impending three-day camp-out of the Grade 9 Outdoor Education option. As I write, I am wishing I had had the good taste to choose this option at the beginning of the year. That way, I could hop along.

However, longings aside, the lucky students of that 9-D option will, on June 2 at 4 p.m., leave Lorne Akins Junior High to see the sights of Carson Lake, Alberta, a provincial park 125 miles northwest of here.

The 16 kids, along with teachers Mr. Ferguson, Mr. Dukovac, Mr. Scott and a Canadian Armed Services Instructor, Mr. Berthel, will sleep two nights there and arrive back at 9:30 on the evening of June 5. Mr.

Ferguson will act as camp supervisor; Mr. Dukovac will teach the students stream fishing, which they will have a whole day to enjoy; Mr. Scott will take them on another day's worth of hiking and backpacking; and Mr. Berthel will take a half-day for each of two topics: survival and canoeing. In addition, the campers will have the opportunity to swim, fish from the lake, and canoe - all over and above the instructional session.

Generally, it looks like those 20 favoured by fate, will have an awful lot of fun - may each one fall into the stream at least once, but we

do hope it doesn't rain.

Other upcoming events at Lorne Akins are: Natural History of Alberta Option Trip to Drumheller - June 3 and 4; District Track Meet - June 6 (p.m. only); and the Grade 9 Activity Day and Grad Ceremony on June 13 and 14; Canadian History Option Class will visit Ft. Edmonton - June 11; Ukrainian Culture Option Class will visit the Museum at Mundare and lunch stop at Elk Island Park - June 13; Science Option trip to Wabamun to collect and study aquatic animals - June 23. You can see, there's never a dull moment at Lorne Akins.

## Library plans kids float

The St. Albert Public Library is planning on entering a float in the rodeo parade and needs eager children to help decorate and accompany their entry. The float will be a Mother Goose theme and children interested in accom-

panying the float should come to the Library this Friday at 4 p.m. with a suitable costume if they have any. Over the next few weeks the Library's Craft Club will be working on the decorations for the float every

Thursday from 4 to 5 at the Library and anyone is welcome to attend and pitch in.

### MONTH END PUPPET SHOW THIS FRIDAY

The St. Albert Public Lib-

rary's regular month end Puppet show will be held this Friday, May 30 at 4 p.m. and 5 p.m. in the Library Annex. This will be the last monthly puppet show at the Library until the fall. Once again Susie Bookender will confront the nasty Baron von Booksnatcher in a fulfilled battle of wits. Who knows, this could be the right to the finish. Come and see for yourself. Everyone is welcome this Friday at the St. Albert Public Library's last month end Puppet show.

### BILINGUAL STORYHOUR

The St. Albert Public Library will be holding a special Bilingual Storyhour to celebrate the end of the present storyhour session. This special party will be held on Friday, June 6 from 10 to 11 a.m. in the Library Annex. There will be stories, songs and games for pre-schoolers in both English and French. There is no registration or admission fee and everyone is welcome.

members and others interested in becoming involved in Guild activities are urged to attend. This election of board members for 1975 - 1976 is particularly important as the Guild faces an exciting year ahead - expanding its programs to accommodate a growing St. Albert and planning its allotted space in the proposed new recreation facility. Annual membership fee is \$2 and is payable at this meeting.

## Arts & Crafts general meeting

The St. Albert Arts and Crafts Guild will hold its annual general meeting and

election next Tuesday, June 3 at Grandin Clubhouse, 7:30 p.m. All Guild general

## AROUND TOWN

Tassie and Linda Mason have a new son, Jay Simon, born April 28 and weighing nine pounds, nine ounces. Proud grandparents are Simon and Julie Ouimet of Lambert Crescent and the Masons in Australia.

All former students of H. A. Gray School interested in attending or in assisting with a school reunion, are asked to contact Mrs. B. McKay at 434-9217.

#### HAKAMU ARE COMING!

Hakamu is a band made up of 13 university and past university musicians and singers who have been together as a group for five years. They travel throughout Canada and the States playing and singing, without charge, for high schools, churches, conferences, and universities. But Hakamu is a band with a difference: the people who make up the band have very God-centered lives and through their music they strive to share their faith with others. They also hold workshops on subjects such as music, dating and marriage, sharing one's faith, and Christian growth. Hakamu will be in St. Albert to play at Paul Kane High School from 11:50 to 12:30 on Monday, June 2 and they will be playing at a coffeehouse that evening at Braeside Presbyterian Church starting at 7 p.m.

## Charles Thompson passes

Charles Henry Thompson, age 68 years, Westwood Apartments, Garden Crescent, passed away Friday, May 23 in Sturgeon General Hospital. Funeral services were conducted by the Rev. John Barford on Tuesday from Howard McBride Chapel at 10:30 a.m. Pallbearers were Mr. Gordon Hughes, Mr. Frank Smith, Mr. Steve Hughes and Mr. Richard Leggett. Cremation followed the service.

Mr. Thompson spent 13 happy years in St. Albert after emigrating from Liverpool, England, in 1962. Ten of these years were spent working in Johnstone Walker Stores in men's and boy's wear, where he made many good friends among staff and customers.

He is survived by his wife, Gladys and daughters Mrs. Alma Hughes and Mrs. Frank Smith, all of St. Albert; three sisters, Miss Frances Thomson, Mrs. Mil-

lie Brack and Mrs. Beryl Harold Thomson, all of Dove, and one brother, Mr. Liverpool, England.

# Safety Council meeting covered lengthy agenda

The St. Albert Safety Council finds that it has a tremendous list of areas to cover in its duties and one of the problems facing this group is the recruitment of membership. Two men members have recently joined.

At the Safety Council meeting held on May 22 the council had a heavy agenda of things to cover including six items of new business and a guest speaker, Mr. Bob Novikoff, the chairman of the Alberta Safety Council.

In 'Reports from Officers and Committee Chairman' it was noted that the pedal pusher program is to commence on May 26 and 17 parents have offered their help and support to the program of educating young bicycle riders.

The pedal pusher program is being supported by the town and will reach five separate areas of the town.

The classes could well exceed 75 children in the case of one area of town.

Chairman of the St. Albert Safety Council, Mrs. Jane Nelson, reported that District #6 had noted interest in pursuing the school bus program as followed at Albert Lacombe School. She noted that the system, which employs a monitor procedure is conducive to better behavior among students on the buses. The system is an extension of the AMA program and the Safety Council recommends the adoption of the program in other schools. Mr. E. Gish of District #6 reported in a letter that it was the intention of the school board to seek further information and would recontact the Safety Council in regards to the program.

Mr. Stan Mill, chairman of the Defensive Driving Program reported to the meeting that there has been great

interest in the community regarding the defensive driving program. Mr. Mill suggested that the defensive driving program be adjourned until after the summer when the course will be re-offered on a regular basis.

In matters relating to 'New Business' the subject of peak hour traffic in the Town of St. Albert was examined. Coun. Rod Thronson (council's designate to the Safety Council) noted that the peak hour traffic problems within the town were being aggravated by the construction of roads and cited the bottleneck on Sir Winston Churchill Avenue and Cunningham Road as a problem area. He noted that this is currently being aggravated by the widening of the road at that point and traffic is being impeded at this point. The meeting noted that the corner of Sir Winston Churchill Avenue and Grandin Road also is a hazard to motorists. The problem at this corner is aggravated by left turning vehicles (turning left on to Grandin Road) which tends to back traffic up. A possible solution to this problem was noted to be the widening of the road in the area of the small shopping plaza.

A further hazard of this area of Sir Winston Churchill Avenue is found at the median along the north of the shopping centre on Sir Winston Churchill Avenue. The Safety Council feels that adequate posting of signs or warning lights could alleviate the situation. It was noted that drivers who are not knowledgeable regarding this piece of road tend to be confused when approaching

the median and do not know how to react.

Illegal parking at the bus terminal by the Klondike Inn was designated as an additional problem and a safety hazard. The matter is to be turned over to the police as a solution for the problem.

School and ETS buses have been observed exceeding the speed limit in the town and the Safety Council regard this as a problem requiring police attention. A meeting is scheduled for early in June with School District #6 and the school bus company will discuss various problems. A school bus driver training program is offered through the auspices of the Alberta Safety Council which could be suggested for St. Albert School bus drivers.

Mrs. Nelson noted that the Block Parents program is in need of a co-ordinator and the program conforms with the terms of reference of the Safety Council. Her suggestion was that the council consider taking on the Block Parents but refrain from making a decision until next meeting when further information would be available.

Mr. Bob Novikoff, chairman of the Alberta Safety Council, was on hand to discuss St. Albert joining with the provincial organization. A number of benefits would be gained by joining. The St. Albert Safety Council could involve itself in provincial and national programs.

Concern was expressed that the safety programs lacked continuity and were stressed only during those weeks or seasons of the year when the program was actually taking place. Mr. Novikoff felt that the intention of the programs was to make these programs ongoing while keeping stress on the program during the particular week.

Mr. Novikoff explained that in order for a group to join with the Alberta Safety Council it must have at least 10 members and must involve itself in the national and provincial programs for a trial period of one year before receiving a charter.

Committees under the Alberta Safety Program in-

clude traffic safety, traffic clinics, motorcycle training, driving techniques for professionals, defensive driving for school bus drivers, rural safety committee, and home safety.

In the discussion which followed Mr. Novikoff noted that a recreation safety committee was being drafted.

In other Safety Council matters, Mrs. Nelson stated that a meeting regarding ambulance service in this area would be the topic of a meeting to be held at her home on May 28. The meeting is jointly sponsored by the Safety Council and the Alberta Association of Registered Nurses - St. Albert Chapter.

## Alberta Baseball Association news

Special playoffs, to determine Alberta's representatives in the Canadian Senior Baseball Championships in Vancouver, will get underway June 7 and 8.

The Alberta Baseball Association announced that a double round-robin series will be played in Barhead to select the Northern Zone winner. This playoff, featuring the Edmonton A's, St. Albert Willowbrook Saints and the Barhead Cardinals, will start at 12 noon on the June 7 weekend.

A best of three series will be played in Camrose between the Red Deer Generals and the Camrose Cubs to name the West-Central Zone representative. The first game will go at 6 p.m., Saturday, June 7, with Sunday's action slated for 2 and 5 p.m. (if necessary).

The winners of these two series will advance to the provincial final, a double knockout affair, at the home park of the West-Central

Champions (either Camrose or Red Deer) on June 14 and 15.

The four-team finale will also feature Calgary Jimmies, unopposed in the Southern Zone, and Alterio Mets, representing the East-Central zone.

The ABA playoffs are open only to Canadian players who have resided in Alberta since April 1.

ABA President Allan Wilson said the Canadian Championships, July 7 to 13, are early this year because of the Intercontinental Cup Series scheduled for August in Montreal and Moncton. This international competition will feature eight of the top baseball countries in the world, including Canada. Some of the players on the Canadian squad will be selected at the National finals in Vancouver.

Ron Hayter, an executive member of the World Amateur Baseball Federation, also announced that South

Korea -- one of the entries in the Intercontinental Cup -- will play an exhibition game in Edmonton on August 10.

## Soccer action in St. Albert

For those interested in taking in St. Albert soccer action over the summer you can watch the following games in the community during the week.

Monday and Wednesday nights there's the girl's senior and junior soccer at the Lorne Akins and Robert Rundle schools.

There's also boy's pee-wee soccer action Tuesday and Thursday nights at the St. Albert High School near Salisbury Avenue.

Soccer action in all these cases starts at 6:30 p.m., and goes on till 8:30 p.m.

A spokesman for the St. Albert House League said Monday that the league can do with more help in the way of coaches and supporters.

The season will be rounded off with a trophy for the league champs and a round-robin cup tournament in early October.

"The need is there," He added that if one coach is sick there is a need to have him replaced.

The Gazette will be happy to publish weekly standings in the league if these are made available.

## Urgent need for coaches

Chairman of St. Albert's Minor Baseball League Joe Arisman said Tuesday that the season is going well so far but there is an urgent need for coaches.

"A couple of coaches are urgently required," he said,

## Huck Finn camp will feature outdoor cooking

It's true that boys will show up the girls everytime when it comes to trout fishing and building lean-to shelters in the woods.

But this summer at Huck Finn Camp '75 at Edson's Silver Summit Alpine Village, the girls will get their chance to make points in woodmanship.

Huck Finn Camp director Gary Cooper announces that this summer's overnight camp-out portion of the outdoors adventure school will emphasize camp cooking.

Boys and girls will be shown how to build and maintain their own reflector campfires and how to prepare their own campfire meals.

They'll prepare their own bacon, eggs and pancake breakfasts on aluminum foil frypans. They'll make their own billy can and dutch oven stews. They'll learn to make reflector oven biscuits and tin can pineapple upside down cakes; meatloaf-on-a-stick and pit fire roasts.

"Camp cooking," says Mr. Cooper, "is a skill that is generally neglected in outdoor education. Moms and Dads in camping families seldom give the kids a chance to learn, either, or to teach not only basic

"Yet in all the great outdoors experience, I don't think there's anything quite so enjoyable as a well-prepared meal around the campfire, where absolutely everything seems to taste so much better," says Mr. Cooper. "And from what I've observed of children at camp, I'm certain that they'll agree."

"That's why we plan at Huck Finn Camp this summer-campfire cooking, but many novel methods as well in which most adult outdoorsmen are not skilled."

This summer will be the third season for Huck Finn Camp at the Silver Summit ski lodge located 30 miles north of Edson. The outdoor adventure camp for boys and girls age 8 through 15 last year more than doubled its registration from its first summer of operation.

The overnight campout portion of the camp this summer will be extended to two nights for older campers in order to accommodate the camp cooking course.

The remainder of the program -- trail riding, archery, riflery, compass, hiking, canoeing, swimming and trout fishing -- originates out of the rustic, remote ski lodge.

Last year, Huck Finn campers enjoyed better than a 50 per cent success ratio at catching pan-sized native rainbow trout out of beaver dams at nearby streams. Camp director Cooper hopes to improve that percentage so that, hopefully, every young camper will know the thrill of a trout at the end of his line. And how to cook his catch to delicious perfection over a campfire.

## Albert Lacombe take lead at St. Albert elementary track and field

GRADE FOUR winners (first in that group) from Albert Lacombe School after the ATA Local 66 sponsored elementary track and field events at the Kinsmen Fieldhouse May 23.

GRADE FIVE winners (first in that group) from Albert Lacombe School after the elementary track and field events at the Kinsmen Fieldhouse May 23.

GRADE SIX winners (first in that group) from Albert Lacombe School after the elementary track and field events at the Kinsmen Fieldhouse May 23.

Five hundred grade four, five and six students from Albert Lacombe, Vital Grandin, Sir Alexander Mackenzie, Sir George Simpson/Robert Rundle and Leo Nickerson Schools, competed for the ATA sponsored district track meet on Friday, May 23 at the Kinsmen Fieldhouse.

Organized by Vital Grandin School, the meet was held quite early this year to accommodate those schools

who are involved in outdoor education programs.

In the nine year and under boys and girls category, Albert Lacombe took first with 37 points and Vital Grandin was second with 25 points.

In the 10 year category, Albert Lacombe was first with 36 points and Vital Grandin, second with 33 points.

In the 11 year category, Albert Lacombe was first with 42 points and Robert

Rundle/Sir George Simpson combined for second with 26 points.

In the 12 year and over category, Vital Grandin won with 40 points and Sir Alexander Mackenzie was second with 24 points.

Overall standings:  
Albert Lacombe ... 132 pts.  
Vital Grandin ... 122 pts.  
Robert Rundle/Sir George Simpson 94 pts.  
Sir Alexander Mackenzie ... 75 pts.  
Leo Nickerson ... 21 pts.

## Oldtimers baseball

A number of ex-baseball players in St. Albert have expressed interest in forming an oldtimer's team to participate with other teams in the district in a few exhibition games this summer. The main idea is to get in better shape, get together with new

and old friends and of course to have some fun. If you would like to spend a few hours on the ball diamond, are about 40 or so, please contact Art Hagen at 459-6136, or Larry Mitchell at the St. Albert Sportshop 459-5200.

## Fastball games exciting to watch

Girls fastball is halfway through the season and is shaping up for a three-way race for first place.

A & H Steel are on top with a swing and a loss with the Dairy Queen and Westcon following. Right behind, Pro Western and the Fire Department are battling for fourth place.

The girls are all showing a keen interest and the games are exciting to watch. It would be appreciated by the players and coaches if more

fans and parents would come out to watch and help in any way possible.

The younger girls are also halfway through the schedule with the Lavoy's Super-sluggers fighting it out with the Root Runners.

Leon Roads Blue Bombers winners last year, are right on their tails with only one loss. The standings for both divisions are as follows:

13 TO 16	W L
A & H Steel	5 1

Dairy Queen	4 2
Westcon	3 2
Pro Western	1 4
Fire Department	0 5

Super Sluggers	6 0 1
Root Runners	5 0 1
Blue Bombers	5 1 0

Mustangs	2 4 0
Champs	1 3 1
Hot Feet	1 5 1
Wipe Outs	1 5 0
Blue Speeders	0 5 0

## Rain stops Swingers opener

Yes, the Sturgeon Valley Swingers had all plans in order for their opening tournament, and 36 members had planned to participate, but the weatherman did his "thing" again and the golfing was called off. But a social afternoon was held with refreshments and a delicious supper served by Marge Davis, social conven-

or. It is hoped to reschedule the tournament to a later date (weather permitting).

Last week's prize winners were Bernice Cook and Shirley Holman.

On Monday, May 12, the Sturgeon ladies scored 60½ points in the Marshall Cup competition and 62½ points on May 26. The members are making a fine showing for

their first year playing in this competition.

Till next week remember "Keep your head down and swing through."

## Bantam baseball

There are four bantam teams (13 and 14 years) in the K of C - Lions minor baseball league this year, with most of their games being played on the "select" Mission Park diamond.

Thanks to the efforts of the boys and their coaches, Arnold Bailey (Cardinals), Doug Millroy (Cubs), John Bains (White Sox) and Walter Lee (Expos), the teams are fast rounding into

shape. The pitchers are starting to catch the corners, the aches are becoming less frequent and the games more exciting.

Standings to date, after two weeks and six games:

	W L T P
Cubs	2 1 1 5
Expos	2 0 0 4
White Sox	1 1 0 2
Cardinals	0 3 1 1

## PEDAL PUSHERS

The first session of the Pedal Pushers program was held on Monday, May 26. The program will continue each Monday, Wednesday and Friday till June 6.

Till that date, motorists are asked to look out for small people on small bicycles and avoid parking or driving on the paved areas where the program is taking place: at Sir Alexander Mackenzie School, Paul Kane High School, Leo Nickerson School, St. Albert High School, Sir George Simpson and Robert Rundle Schools. If attending a game or practice in a nearby sportsfield, please try and keep well away from the children and their bikes; they are very young and do not expect at this stage to have to look out for cars. Park some-

where else and not on the specially marked circles and lines on the evenings on which the program is being held.

## SWIMMING

The June session of lessons are now in progress. Registrations for the July and August sessions are being taken at the pool every day, Monday through Friday (excepting holiday Mondays) from 3 - 7 p.m.

At the time of writing, there are no openings in the pre-beginner, beginner and intermediate classes in the first session in July (June 30 - July 11). Apart from them, the field is wide open. So call at the pool and register for classes in Red Cross, RLSS, springboard diving, synchronized swimming, skin div-

ing and advanced aquatics. Descriptions and pre-requisites of the classes were advertised in the May 14 issue of the Gazette. Information, of course, can be obtained by calling at the pool.

Because of the weather, there was a very small attendance at the first performance of King Neptune's Water Circus on Saturday, May 24. This special "fun" session is for children and will be held each Saturday morning from 9 - 11 a.m. with half the time being spent with organized games and races, etc. and half with "free" swimming. Children can bring their water toys which, of course will be subject to the approval of King Neptune and his attendants.

Parents are reminded of the policy whereby children of seven years and under must be accompanied and supervised in the pool by a responsible person of at least 16 years. Depending on how the new Water Circus goes, the accompanying responsible person may be asked to remain on deck and keep an eye on his or her young charge from there.

Family swimming sessions are held on Saturdays from 5 - 7 p.m. and on Sundays from 10 a.m. - 12 noon and from 5 - 7 p.m. During July and August two more sessions will be added to the schedule during the week. These family sessions where each child must be accompanied by an adult member of his or her family provide an excellent opportunity to introduce young children to the water and for families to swim and together. Water wings are permitted at these sessions but only as an assist - not as a substitute for adult supervision.

Teens have their own recreational time on Mondays, Wednesdays, Fridays and Saturdays from 9 - 10:30 p.m. And adults have freedom on Tuesdays and Thursdays from 9 - 11 p.m. to choose between lessons at all levels and recreational swimming. No registration is required - just the price of admission each time.

Don't forget the first special clinic which will be held on Sunday, June 1 from 9 - 11 p.m. For the normal admission fee anyone at the junior level can bring their own skin diving equipment (which will be subject to the approval of the pool staff) and be shown how to use it properly. Note, too, that skin diving equipment is allowed in the pool on Saturdays from 8 - 10 p.m., and on Sundays from 10 a.m. - 12 noon.

Clinics on springboard diving, water polo, small crafts and synchronized swimming will be held on successive Sundays in June.

## SENIOR CITIZENS

Transportation to the rodeo parade on June 14 will be provided for Senior Citizens through the courtesy of the St. Albert Fire Fighters Local 2130.

The Firefighters, who must be commended for this generous gesture, will be at the Youville Home on the morning of the parade at 9:30

a.m., and at the Senior Citizens Recreation Centre at 9:45 a.m. Any senior citizen, wanting to go to the parade should be ready to be picked up at either the Youville Home or the Recreation Centre at the times mentioned above. Coffee and donuts will be served at the Centre.

For further information contact Mrs. N. Zoltenko, 58 Belmont Drive (phone 459-7340) or Mr. B. Morin, 20 Mount Royal Drive (phone 459-6536).

## GOLDEYE LAKE CENTRE

Information about the teen camp (14-15 years) sponsored by the Rural Education and Development Association at Goldeye Lake Centre is available at the Department of Recreation in the Town Hall.

## TENNIS

An advertisement in this issue contains information about tennis lessons being offered by the Department of Parks and Recreation in June.

In spite of the very windy,

cold day, around 20 juniors entered the tennis tournament held on Saturday, May 24 for the St. Albert Tennis Club junior members.

The winners were: Section A - Stephen Kirk (first) and Bill Osborne (second); Section B - Chris Odinga (first) and Randy Fisher (second) and Section C - Neil Langford (first) and Michele Cruse (second).

## PARADE

Organizations or groups interested in submitting a float or band in the Town of Barrhead's annual Blue Heron Fair parade on August 8 should contact John Shannon, parade chairman, Box 1039 Barrhead, Alta. T0G 0E0. The theme for this year's fair is "Ukrainian Days" and entries have to be received before August 1.

Having organized a float or band for our own rodeo parade on June 14 why not keep it together for Barrhead in August?

## RODEO SWIM MEET

The annual rodeo swim meet will take place on

Sunday, June 8 at 1 p.m. This is strictly a fun meet and is always exciting to watch. The identity of some of the entries are at present unknown but spectators are assured of surprises.

Public swimming will be cancelled on that particular Sunday afternoon.

## PROVINCIAL MUSEUM

On Saturday, May 31 two films will be shown at the Museum, starting at 2 p.m. "Beaver Valley" and "Prairie Spring" followed by a selected Gallery tour at 3 p.m. and till June 22 there will be an exhibition of "Early Arts of Latin America" in Feature Gallery #2.

## CRAFT & RECREATION CAMP

Previously held at Pembina, the Parkland Craft and Recreation Camp will be held at Poplar Springs Park (two miles north of Seba Beach) this year from July 20 - 25.

For information about this very popular camp, contact Parkland Regional Recreation, Box 178, Stony Plain, Alberta or phone 963-2211.

## "Weeds are a Pain in the Grass"! WEED EATER

## GROUNDS MAINTENANCE MADE EASY

The Weed Eater gasoline powered "WEEDY" (Model 670) is specially designed for commercial use and/or large estates.

"WEEDY" trims around trees, fences, walkways, stonework (headstones and memorials). Actually cuts over glass bottles, tin cans, rocks, water lines, electrical cable and the operator's own feet. Because "WEEDY" cuts without blades. NO BLADES! "WEEDY" cuts with specially treated monofilament "FISHING LINE". Housed in a unique high-impact cutting head that makes fast work of the most stubborn maintenance problems.

The "WEEDY" features a reliable Tecumseh 3HP gasoline engine with an all metal body and housing for rugged use. The unit weighs 27 pounds, which straps over the shoulder for easy handling.

## Kryskow hockey school set for August in Morinville

The Dave Kryskow hockey school will be held from August 11 to August 30 in Morinville, Dave, who is now with the Detroit Red Wings has instructed hockey schools in St. Paul and Edmonton the past two years with Ken Brown and Bruce MacGregor.

The school is sponsored by the Central Sturgeon Agricultural Society, and will have three - one week sessions. Age limits are from 7 to 18 years with limited classes for personalized instruction. Boys must provide all their own equipment. Two hours of ice time per day, and the boys will be grouped according to age, size and ability.

Tuition fees are only \$50. per session. This fee includes medical coverage for each boy per session.

Group lockers will also be supplied. All application forms and deposits must be in by June 1st, 1975.

Instructors are Dave Kryskow of the Detroit Red Wings, Yvon Bilodeau of the Dayton Gems and Greg Gley of Washington Capitals, plus other W.H.A. and N.H.L. players.

Support this worthwhile venture, as it is a wonderful experience for any youngster who enjoys the games.

Proceeds go to the Central Sturgeon Ag. Society to help pay for the new multi use facility.

## FILL IN AND MAIL THIS COUPON (\$20.00 DEPOSIT REQUIRED)

# Hospital board says no to raising municipal requisitions

The Sturgeon General Hospital District #100 will not be raising requisitions to municipalities this year.

The matter will be set over till next year and along with it the costs which might be incurred by landscaping the hospital facility over the next 12 month period.

The hospital district has been receiving the equalised assessment from the municipalities, though not from Morinville it was pointed out. According to the chairman of the hospital district John de Bruijn the landscaping of the hospital is a priority and

he would like to see it under way by fall.

Architect Don Barron of the firm Milus Tress Barron seems set to get "the job of professional" landscaping the grounds. The board is expected to meet with Mr. Barron at the next board meeting June 25 to discuss the landscaping plan's cost which is not expected to exceed \$1,000.

## STRIKE AT MISERICORDIA HOSPITAL

The board decided to take student nurses from the Misericordia Hospital as long as the strike continues at that facility.

The students need their credits and the only way to get them is by putting in the hours of training. They would be at the Sturgeon General Hospital for up to five weeks at a time. Hospital Administrator Cliff Keyes said that student nurses were really suffering because of the strike and was in favour of helping them out.

The student nurse service would be the same as that operated for students from

the University of Alberta or the Grant MacEwan College. An instructor would be sent along with the students to carry out supervision, as Sturgeon Hospital staff would not have time to help out here.

There's no fear that Sturgeon Hospital nurses will be redundant while the students are at the local facility and it was pointed out that "our nursing staff likes working with them."

## DISAPPOINTING RESPONSE FROM PUBLIC

A recent attempt by the Board to get feedback from the public on improvements in the health care service at the Sturgeon General seem to have had little success. The feeling expressed by the Board seems to be that unless you have had cause to sample the services for yourself, there isn't much chance you'll have any complaints or ideas for improvement.

There had been a comment that the outpatients department needed expansion but very little else. All St. Albert service clubs got letters for

feedback and an advert in the form of a questionnaire was placed in the local newspaper.

Chairman de Bruijn said that the opportunity (for feedback) had clearly been given to the public, but he felt that any public meeting on the subject of improvements at the Sturgeon General might just degenerate into a "bitch" session.

He felt that people were always ready with their complaints even though the service today was much better than in the past. He backed this up recalling an event 30 years ago when he and some friends had been

involved in a fire following an explosion at a city hospital. "With third degree burns two of us had to wait two to three hours for treatment," he said.

## HOSPITAL BOARD BRIEFS

THE HOSPITAL BOARD approved a recommendation to expand orthopaedic services at the Sturgeon General by providing a hip-pinning service at the facility.

THE UNIVERSAL PROBLEM of doctors not writing up their charts within a reasonable time came up at the board meeting. Chair-

man of the Board John de Bruijn emphasized to the press after the meeting that there was no need to go heavy on this, but that "we've got to write to them and shake them up." (Said during the meeting.) Doctors can be suspended for not having charts done on time.

SINCE ALL PROGRAMS have not been yet delineated for the Sturgeon General Hospital, there'll be no further developments on the outline plan for the expansion facility at the hospital till after September; also an architect has yet to be commissioned for the job.

## N.C.A. Baseball Schedule

SUN. JUNE 1 - Morinville at Rochester; Legal at Westlock; Linaria at Vimy.

WED. JUNE 4 - Morinville at Legal; Bon Accord at Vimy; Westlock at Linaria.

# ATTENTION:

**Alberta Farmers  
Under the Small Farm Development Program  
You May Qualify For...**

\$\$\$ A Grant up to \$3,500 - if you want to sell your farm \$\$\$

\$\$\$ a loan with down payment as low as \$200 - to buy land under the program \$\$\$

To see if you qualify, you *must* apply to the Farm Credit Corporation (FCC) or your district agriculturist *before* you buy or sell a farm.

If you're selling your farm for not more than \$40,000, visit your FCC office to see whether you qualify for a grant.

If you wish to expand your small farm by buying another being sold under the program, find out if you're eligible for a low down payment loan.

## COUNSELLING SERVICES AVAILABLE

If you're thinking about expanding, moving out of agriculture, or retiring, contact your district agriculturist about advisory services.

For locations of AGRICULTURAL REPRESENTATIVE offices, write:  
EXTENSION DIVISION,  
ALBERTA AGRICULTURE,  
9718 - 107 ST.,  
AGRICULTURE BUILDING,  
EDMONTON 6, ALBERTA

For locations of FCC CREDIT ADVISORS, write:  
FARM CREDIT CORPORATION,  
400 CHANCERY HALL,  
NO. 3,  
SIR WINSTON CHURCHILL SQUARE,  
EDMONTON, ALBERTA T5J 2C5

Or consult your telephone directory.

## DON'T RISK LOSING YOUR ELIGIBILITY.

Before buying or selling, be sure to ask about the Small Farm Development Program. It's a federal-provincial effort, working on behalf of the small farmer.

THE OKLAHOMA KIDS CAFE NEAR LEGAL

By Jim McIntyre

It seems that the days of Doc Holliday, Wild Bill Hickok, Bat Masterson and the Sundance Kid die hard. They'll always be in our memories.

Over the Victoria Day long weekend the past surfaced into reality at the Oklahoma Kids Cafe just a few miles west of Legal.

Owners of the Cafe, Lyl and Gene Greenland were just minding their own business as usual, as well as a lot of weekend trippers from the city, when a "dude" walked into the cafe with a revolver in his hand.

Up he walked to Mrs. Greenland and cool as you like asked for a packet of cigarettes, his revolver uncomfortably close to the cafe owner's face.

All the cheerful holiday weekend chatter died down in the cafe and you could have cut the atmosphere with a knife.

Mrs. Greenland pointed out that the man with the gun made no threatening gestures and this helped her to keep her cool. After it was all over she said that her repressed panic took over for a while and she felt a kind of delayed shock. The gunman left the cafe, no shots fired, (no one knows whether the gun was loaded or not) and left the "audience" with time to recover.

Just for safety's sake, Mrs. Greenland decided it would be wise to phone the police about the incident and

she gave them the numbers on the gunman's automobile plates.

According to Mrs. Greenland he was stopped in Edmonton and she quoted the police as telling her the gunman had a record "as long as your arm."

Phew!

## NAMAOO NEWS

By Norma Crozier

The Sturgeon Rec Fest being planned for Namoo will

include an open gymkhana on June 7 and horse show on June 8 at 8 p.m., with 38

classes. Also, the Klondike Mounted Square Dancers will perform at 1 p.m., on

June 8. Everybody welcome.

Mr. and Mrs. Howard Samis enjoyed a motor trip to B.C., through the Yellowhead to Penticton and Osoyoos where it was blossom time. They returned home via Radium Hot Springs.

Namoo Happiette Club will hold a spring tea in the Community Hall on Saturday, May 31 from 2 p.m. - 4:30 p.m. There will be a bake sale and a sale of white elephants.

A shower honouring Marjorie Cresswell will be held in the Namoo Community Hall on June 4 at 8 p.m. Marjorie will be married to Douglas Weisbeck on July 5 at Norwood United Church.

Get well wishes to many Namoo people this week - Mr. Lawrence Rye who is in Fort Saskatchewan hospital, Mrs. Marj Pearce in Sturgeon General Hospital, Mrs. Ada Potter and Jack Nelsen who are both patients in Royal Alexandra Hospital. May they all enjoy better health soon.

Namoo paper bin will be located beside the Community Hall on June 25 from 9 a.m. - 9 p.m. and again on July 30, at the same times. An attendant will be on hand, newspapers must be tied together. Magazines, telephone books, catalogues and paperback books can be put in boxes or paper bags. Proceeds from the paper drive will be divided between the two congregations of Namoo Church.

## McLay family holds reunion

Members of the McLay family of Namoo at a family reunion celebration held Sunday, May 18. Standing are Donald, left and Jack McLay, with Beatrice, Molly, Isabel and Marjorie.

By Norma Crozier

On Sunday, May 18, 1975, 44 members of the family of Namoo pioneers Mr. and Mrs. Fred McLay gathered at the home of Mr. and Mrs. Donald McLay to commemorate 60 years in Namoo.

Fred McLay journeyed with his father by train and on cart to the Horse Hill district in 1890 from Botany County, North Dakota. Here they located on a homestead and Fred farmed with his father, supplementing his income during the winter months freighting to the Athabasca landing and hauling coal from the Carbondale mine to the jail at Fort Saskatchewan. In 1912 Fred took his wife and family to Oregon and tried fruit farming but returned in 1915 to settle at Namoo. Mrs. McLay passed away in 1951 and Mr. McLay in 1953.

Their family of three boys and four girls were all born in the area. Alex, the oldest son passed away in 1954 and the remaining six members, Jack and Donald, Marjorie (Mrs. Harold Clark), Molly, (Mrs. John McDonnell), all of Namoo; Isabel (Mrs. Wilfred Baril), and Beatrice of Ed-Biril, of Victoria, B.C., and Beatrice of Edmonton, were all present for the occasion.

Out of town guests included Mrs. Fred McLay's sister, Mrs. Anna May Metcalfe of Vancouver, B.C., Mr. and Mrs. Wilfred Baril of Victoria, B.C., Mr. and Mrs. Robert McLay of Calgary and Mrs. (Audrey) Wm. Elliott of Langley, B.C.

First neighbours and friends at Namoo, Miss Mabel Defries and Mr. Bill Griffin were also present.

## THANK YOU

I wish to say thank you to friends, relatives, pallbearers, the CWL Ladies, and the doctors and nurses at Sturgeon General Hospital for your many acts of kindness during my recent bereavement in the loss of my husband, Henry, the mass cards, flowers and messages of sympathy were also deeply appreciate

# GIBBONS NEWS

By Shirley Steinwand

## CUBS AND SCOUTS

The Strawberry Tea and Bake Sale planned for May

31 has been cancelled.

## ALL PARENTS PLEASE NOTE:

A general meeting for parents of Cubs and Scouts

will be held on Tuesday, June 3 at 8 p.m., at the Gibbons Community Hall. This meeting will decide if Cubs and Scouts will continue next year.

If you have a son interested in Cubs or Scouts, please attend. If there are not enough interested, plans for next September will cease.

## BROWNIES AND GUIDES

A general meeting for parents of Guides and Brownies will be held Tuesday, June 10, 8 p.m., at the

Gibbons Community Hall.

If you have a girl interested in Guides or Brownies, please attend this meeting.

## THE LAST ROUND-UP

On May 13, 26 members journeyed to Morinville to see the pictures that had been taken by Neil Parker at each of the seven senior citizen groups within the Sturgeon region.

There were also several speakers. Arts and crafts were on display, and coffee and cookies were served.

On May 22, a regular meeting was held in the Legion Hut. Thirty-two members answered roll call. Neil and Marjolaine came to show the pictures again, this time more slowly. They also showed pictures taken on the trip to Southern Alberta in 1973. Our thanks to Neil and Marjolaine.

During lunch it was announced that the ladies of the Sunday School Circle will be bringing a birthday cake on the fourth Thursday of each month. The donor this month was Anne Allison. Many thanks for this kindness. It certainly is appreciated.

A letter from June Fraser was read. Senior Citizens and their friends are invited to a dance concert. This will be held in the Gibbons Community Hall on May 25. This is being held in honor of the Senior Citizens.

## SUNDAY SCHOOL CIRCLE

On June 3, the Sunday School Circle are having a shower for bride-elect Susie Allison. This will be held in the Sunday School and everyone is welcome.

## \$2307 cheque to Sturgeon Agricultural Society

The night of Tuesday, May 20 was a great one for the Sturgeon Agricultural Society and the Gibbons Recreation Board.

For the SAS was presented with a cheque worth \$2,307.36 by the GRB, proceeds from the Gibbons Sno Ball '75 - the village's winter carnival.

Total expenses for the carnival were way below the profits raised from the well patronized event explaining how it was possible to donate the cheque.

Profits from Queen ticket sales alone were \$1,513 and it is worth giving the total run down on this item.

Ten thousand tickets were printed for the five queen

candidates.

June Rutan sold 2,569 and turned over \$521.65, Darlene Boettger sold 2,048 tickets turning over \$411.65, Heather Grant sold 1,779 and gave in \$362.75, Shelley Schwanke sold 1,658 tickets and turned over \$388.00, Tracy Steele sold 1,296 tickets and the money turned over was \$262.00.

A total of 9,350 tickets out of the total printed were sold. Two hundred and sixtyone dollars profit was realized by the carnival beeffest, \$100 from the Beer Garden, \$95 from the senior hockey game, \$86 from the bean supper and \$80 from a bottle throw, to mention a few of the bigger items.

WILFRED SHAW, vice-president of the Sturgeon Agricultural Society receives a cheque for \$2,307.36 from Jock Archer, [right], chairman of the Gibbons Recreation Board. Also at the presentation are [far left] Agricultural Society Secretary Doreen Minchau and secretary of the Recreation Board Maise Metrunce. The cheque came from the proceeds of the 1975 Gibbons Sno Ball.

## Still no drastic help for Gibbons water problem

Still nothing in writing from the Minister of the Environment Dave Russell to indicate moves to help improve the Village of Gibbons' water.

That was the word May 21 from Deputy Mayor of the village Mrs. H. van Noord. She said that she was still ready to organize a bus trip to the provincial government buildings in Edmonton where villagers would stage a protest to draw attention to the water problem.

Mrs. van Noord pointed out that Reeve of the MD Bill Flynn is a strong supporter of Gibbons' efforts for water which is more acceptable to the palate. The Reeve is known to favour a regional water supply concept which would see Morinville, Bon Accord, and Gibbons linked to a water line going in a circle from St. Albert to Fort Saskatchewan.

Recently Gibbons council initiated a 632 signature petition, representing about

84 per cent of the village's 761 people which was taken down to the minister's office May 5 for action on the water problem.

Mrs. van Noord had been ready to get back to the minister May 12, but said that she had been promised some kind of drastic action by the Government on the problem. But so far nothing in writing from the minister according to the deputy mayor.

On another matter of pressing importance to Morinville, the sewer line tie-up with St. Albert, the mayors of these two communities were meeting with the Department of the Environment May 22.

An agreement on how to proceed with the sewer line problem could be in the offing if the MD of Sturgeon, St. Albert and Morinville can put a mutually satisfactory case before the Department of the Environment.

## Gibbons Agri-fair extravaganza

Starting off the two day extravaganza will be a kick-off parade at 10 Saturday morning June 7. Entries for the parade contact Darwin Serink - 998-3085 throughout the two days there will be something for everyone.

The Department of Agriculture in conjunction with the "Gibbons Agri-Fair" will be holding a sprayer and weed control school on June 7 and 8 in the Gibbons Arena. We urge everyone to come out to learn the new methods of weed control.

Ladies softball tournament boys and girls ball games, novelty races, culinary competitions - contact Doreen Minchau 998-3081, arts and crafts displays, bingos, kiddies rides, horseshoe tournaments, kids pet show, truck and camper displays, beer social, 4H displays, school displays.

A draw for two pairs of Edmonton Eskimo season tickets will also be drawn that weekend. Be sure to get a ticket from any agriculture board director or merchant in Gibbons.

Be sure to watch for the next Gazette for a time schedule of events.

## Gibbons goes to Whitecourt

A delegation from the Gibbons village council was in Whitecourt May 22 to attend the Zone Six meeting of the Alberta Urban Municipalities Association.

The meeting was sponsored by the Town of Westlock.

At the meeting were Mayor "Snip" Loblick, Councillors Ron Smith and Chuck Slater, Village Secretary-treasurer Maise Metrunce and Deputy Mayor Mrs. H. van Noord.

The meeting was a one day event.

# Calahoo & District News

By Liz McLeod

Ken and Mary Jones of Calahoo spent a pleasant weekend in Southern Alberta while back, visiting relatives and friends in Lethbridge and Calgary.

I want to thank all who bought tickets to help 4H member Bev Brown of Vimy become the figure skating carnival queen in Westlock.

When a few neighbours were comparing notes it was

a coincidence to have their children all phone on the same weekend. Mary Jane Douglas, who is in Germany, furthering her riding lessons, phoned home to have a visit with her mother and brother Eddy.

Colleen Blanchard phoned her parents as did Sharon and Bernie McKinnon from Quesnel, B.C., then from Surrey, B.C., Harold and Marie Dalheim conversed with their parents the K. Dalheim's of Onoway.

Speaking of Surrey B.C., reminds us of some very dear friends, Charlie and Margaret Dunsill and family at Crescent Beach. We were shocked to hear Charlie had suffered a heart attack as is presently in Royal Jubilee Hospital in Victoria, but at last report he is holding his own and the family were all with him.

Eddy Douglas enjoyed his air trip out to Victoria, B.C., to visit his grandparents, Dr.

and Mrs. R. G. Douglas who were spending the winter in a warmer climate.

Together they went by car to Wenatchee Washington to visit Eddy's aunt, Mrs. D. W. O'Brien and family, after which Eddy helped drive back to Edmonton making this a real nice week's holiday for all concerned.

On a recent weekend, Ernie and Marge Larson of Calahoo had pleasant company when Alan and Georgie Davies and eight sons came for a visit on the same day Wes and Martha Chodak and Chuck Slater came as well.

On another occasion when the E. Larson's went home to Jarvis and Martin and Gertrude Larson's home, they were so pleased to see Ernie's sister Janet and Charles Quinn from Dawson Creek and family visiting, so with Marvin Larson and Leona home too, it was a pleasant family affair.

Clara Loyer accompanied her daughter Joyce Loyer on a 10 day visit to Clara's niece and family, Alvin and Georgina Cyr in Regina. They found the family well. Georgina is one of the daughters of the late Mr. and Mrs. George Loyer.

It is nice to see Mr. and Mrs. Fred Labonte looking and feeling so well. They celebrated 55 years of wedded bliss on May 5. Calahoo and community wish you have many more happy healthy and prosperous years.

Werner and Toni Christen

were happy to have their children, Jim and Elisabeth Verbeek Jr., and family from Evansburg as well as Harold and Nancy and Maxine Christen and Rudy on hand to help Werner celebrate his birthday on May 5. Lawrence Callihoo was also on hand (they celebrated May 4) to extend best wishes and my how the grandchildren love to come out to grandpa and grandma's.

There are so many people moving to and from these days its hard to keep up. Leo and Jane Verbeek and family have moved to Oliver, B.C., and until the place is sold Jane's parents, John and Mary Kochling, now of St. Albert, are residing in this beautiful home and presently Leo is around to do the springs work.

When Joe Freitag went for

a drive to see the countryside he stopped by to be welcomed in by Mary.

Walter and Mary Victor and family of Calahoo decided to spend the Mother's Day weekend up at St. Paul where Mary's folks live.

A pleasant day was spent visiting with Mrs. Annie Norris of Devon, when Mary Dalheim and this correspondent went to see their former WI member and friend.

It was Annie who drew and painted two oil paintings, all framed, a mountain scene and a painting of poppies.

Calahoo WI are presently selling tickets on the house to help swell the history fund. Calahoo history was the main topic and purpose of our visit and it was really interesting to go through scrapbooks and material.

## LEGAL LOCALS

By Lucienne Montpetit

There is a very important Fete au Village meeting on Monday, June 2 at the Rec. Centre at 8 p.m. Whether or not you have been invited to have responsibilities, attend and bring new ideas to make it bigger and better. A special welcome to all the

newcomers in our community.

Rick's Beauty Salon will be closed every Tuesday starting June 3 to September 3.

Congratulations to Robert Dzerzyk who exchanged mar-

riage vows with Barbara Anne Rose on May 24 at St. Paul Heights Baptist Church. Following the ceremony some 400 guests gathered at the Ukrainian Centre for the banquet and dance. Robert is the son of Mr. and Mrs. Harry Dzerzyk from Legal and Barbara is the daughter of Mr. and Mrs. Richard Rose from Edmonton.

Get well wishes are extended to Carmen Mercier who is a patient in the Westlock Hospital.

Renovations have started in the cemetery. With the help of each family, the co-operation and goodwill the work will be done. Our dear departed ones disappear only when we stop thinking about them. Anytime you have an hour or two to spare don't hesitate to go and work to beautify our cemetery.

A motion was passed that a five dollar contribution be sent again this year to the Coady Institute as well as to the CUSO organizations.

Our May study program was put off until the month of June.

A box was available to the members for donations to "Project 75."

Our secretary next read the correspondence. Mary Quaghebeur, our new president, next presented our past president Madeline with a beautiful rosary in appreciation from the members for her devoted work of the last two years.

The meeting closed with a prayer and a delicious lunch.

## Legal CWL

By Claire Y. Keane

The St. Emile's CWL of Legal held their regular monthly meeting at the Recreation Centre on May 20 with six members present. The meeting opened with our league prayer led by Mary Kachurowski.

Our new secretary Madeline Cornells read the minutes of the April meeting, and also presented the financial report. Mary Kachurowski read an interesting article entitled "Be Happy."

Claire Y. Keane read a poem entitled "Take Time." The two poems were very inspiring and they both touched on the same points.

## BILLBOARD

THURSDAY EVENING - A.A. meetings held at 8:30 p.m. Recreation Centre. Phone 939-4447.

SATURDAY, MAY 31 - Cub and Scout Tea. Gibbons Community Hall - 2 - 4 p.m.

# Report From Bon Accord

By Sadie Allen

Parents of children who will be 4½ by September are reminded of the kindergarten meeting to be held in the Bon Accord school library at 8 p.m., on Wednesday, June 4.

A warm welcome is extended to Mr. and Mrs. Doughty from Liverpool, England, guests of son John and his wife Margaret, and grandsons Paul, Mark and Ian.

Congratulations to Rick and Anna Milligan on the birth of their daughter, Leah Anna, 8 lbs. 1 oz. on May 22. Proud grandparents are Mr. and Mrs. Hans Laursen and Mr. and Mrs. Jack Milligan.

Get well wishes are extended to Mrs. Jean Briggs in Sturgeon General.

Bon Accord Midgets have come up with four straight wins in league baseball, topping Sturgeon Valley and Gibbons. Coaching the midgets is Albert Hewitt.

Pee-wees, with coaches Roy Malanchen and Myron Schneider, have copied off wins over Gibbons in both games played.

Gail's Girls will be playing league games at Clarke Stadium, Diamond #2 on May 27 and 29 at 7 p.m., and again on June 2 at 8:30 p.m. The girls dropped their first game to the Golden Saints by an

8-2 score in the league opener on May 20.

Senior ladies have home games coming up on June 3 and June 5 both against teams from Fort Saskatchewan. The girls would appreciate a cheering section so let's give them our support.

Senior men's baseball - Bon Accord at Legal on May 28, Bon Accord at Vimy on June 4. The boys will meet Andrew in tournament ball at Fort Saskatchewan at 10 a.m., on June 7.

A joint ACW will be held

at St. Michael's Parish Hall, on Wednesday, June 11 at 8 p.m. Interested ladies are cordially invited. Anyone needing transportation may contact Ruth Cline 921-3642 and rides will be arranged.

A reminder that the first official Dairy Goat milking competition ever held in Alberta will take place in the Bon Accord recreation grounds on June 21. Trophies for the show have been donated by Mrs. E. Samis; Al Ramstad and Son, General Trucking; Bon Accord Potato Farm; Milligan Farms Ltd., Bon Accord Hotel and Ducky's Tavern and Andy Briggs' Excavation, while cash donations have been received from: Yellowhead Dairy Goat Farm, Bon Accord and District Ag. Society; Legal Motors; Call Me Madame Hairstyles; Bon Accord; Lewis and Sons Service Station; Russell Pawluk; Dadds and Sons Esso Service; Bon Accord Laundromat and Trailer Park; Fran Kay Goat Farm, St. Albert. It is hoped to have a display of goat products - cheese, butter, tanned hides etc., at the show.

Anyone in the district having craft articles for display at the Sturgeon Rec. Festival behind held at Namao on June 7 and 8, are asked to contact Olga Ferbey, 921-2140, Pat Reichle 921-3535 or Edith Kowalski, 921-2462 and arrangements will be made to pick them up. Articles need not necessarily have been made recently nor by the exhibitor. It is hoped to have a good display from our area. Anyone wishing to sell handicrafts at the Rec Fest may do so, with 10% of sales as a service charge.

The bingo jackpot is now \$200 in 60 numbers and Sunday, June 1 at 7:30 may be your lucky day. Winner of the bonanza bingo was Nikki McKenzie and the jackpot consolation was shared by Gladys Campbell and Josie Lario.

The area around the post office has taken on a new look with a pat on the back going to Board of Trade President Ken Melech and Keith Whitson for their fine job of cleaning up the debris left by the contractors who renovated the building.

Town clean-up is slated for Saturday, May 31. All residents are urged to share in the work.

## Redwater Course now open

The Redwater Golf Course a nine-hole grass-greens course, officially opened the long weekend in May. The challenging 3200-yard course "discovered" by golfers from the Gibbons, Bon Accord, and the Fort areas over the last year or so, boasts an independent course rating of 70.8, which ranks it with the Belvedere, the Derick and the Elk Island courses.

The course is singularly attractive because of its location - right in the heart of the town of Redwater. More and more golfers frustrated by line-ups at the tee on many city courses have come to Redwater to golf, a spokesman says. They are surprised, when they play the course, by its quality, its challenge and its picturesque.

Short key-hole Three challenges the best of them with a water hazard. The tee for the long 570-yard Hole Four is set back in a grove of poplars. A number of holes have sand traps.

On the eastern perimeter of the course one finds the clubhouse and pro shop. Nearby is the huge new sports complex called multiplex. When it is completed it will accommodate golfers as well as curlers and hockey players. It should then supply amenities available to golfers in clubrooms of metropolitan centres.

Both membership and green fees are low. Club President Charlie Howie says. The fairways, he says, are rarely crowded, and even on the weekends there almost never is a line-up at the tee.

## VIMY NEWS

By Darlene Provencal  
Donna Sabourin was happy to be one of those chosen through the Westlock High School Drama class to spend five days at the Banff School of Fine Arts taking a drama workshop. Keep up the good work, Donna.

A speedy recovery is being sent to Gilles Limoges who is still in the Westlock Hospital after an emergency appendicitis operation last week.

Mrs. Gerie Despins is presently undergoing some tests in the University Hospital in Edmonton.

Mr. and Mrs. Ed Sabourin spent the holiday weekend at Slave Lake where they met with Mike and Evelyn Hein and family of Grande Prairie. Roger and Mary Ann and family and Bob Sabourin and his family also spent a day visiting there, where other family members were camping. The weather was extremely cold though and fishing wasn't the best.

Rick and Emilienne Landry and family motored to Radium, B.C., for five days to do some camping in their new holiday trailer. They didn't have any snow but they said the weather conditions could have been more favourable.

Anne Anderson and her three children spent the long weekend in Calgary and Banff. For some added excitement they climbed the mountain in Banff where the Gondola Lift is situated.

Philip and Connie Bourque and their eight week old son, Joel, were visiting with friends in the area over the weekend.

Leo and I had an enjoyable time motoring to Rocky Mountain House to visit Pro and Judy and family.

Condolences to Mrs. Marie Sturko who is mourning the loss of her brother who was in a drowning accident in B.C.

We would like to welcome back Wayne and Pauline Despins and their two young children, who have purchased and moved into the former Maurice Ringuette residence.

enice.

Baseball season is here and once again the Vimy Blues will be in action. An exhibition game was played this week against Legal with the Blues winning 7-5. The team will again be coached by Leo Provencal and the first league game is scheduled for Sunday, May 25 in Westlock.

# MORINVILLE MEMOS

By Marg Bentz

The next meeting of the United Church Ladies Aid will be held at the home of Mrs. Marge Rockwell on Thursday, June 5, commencing at 8 p.m. All ladies are welcome. For more information please call Jean Robinson, 939-4153.

In honour of the 50th anniversary of the United Church of Canada, the United Church Ladies Aid will be holding a "Get Acquainted Tea" on Tuesday, June 10 from 1 to 5 p.m., at the Legion Hall in Morinville. There will be bake items and souvenir spoons for sale. For your pleasure, Mrs. Faye Middleton will be on hand to read tea-cups. We hope to meet many of the new ladies in

town so bring your children and take your tea break with us that afternoon, ladies.

## LEGION NEWS

A special meeting will be held on May 29 for the election of a new Legion president.

On June 5 there will be a general meeting in which Zone Commander Walter Thomas will install the new president. He will also present Mark Saffin with life membership and Paul Ellis with his past-president's medal.

The Sturgeon Foster Parents invite everyone to their banquet and dance on Saturday, May 31 at the Recreation Centre. Supper will be at 8 p.m., with a dance to

follow. (Music by the Boddez Kids). Tickets are \$4 per person or \$8 per couple. Admission to the dance only is \$2 per person. Contact Joyce Granger (939-4405), or any foster parents for tickets.

Over 160 people attended the spring prom on Saturday, May 24. Everyone had a good time and really enjoyed the music by the "Nitelites." The grand finale of the evening was the graduating class dancing to "The Last Waltz." Later a celebration was had by all at Jan Gibeau's.

St. Jean Baptiste Church was full on Sunday, May 25 at the 9 a.m. Mass, as the little ones received their First Communion. The girls were radiant in their white dresses and veils; the boys have never looked so clean and handsome. In spite of the weather, the day was a success.

## BASEBALL

Ed Kryskow's Beavers lost a high scoring contest (17 - 16) to Riviere Qui Barre in their last outing Friday, May 23. This gives them a 2-2 record for the early season. The Mosquito Wildcats, coached by Leo Lalonde,

pounded Legal 21-5 Wednesday, May 21, then beat the other Morinville team (Cougars) 15 - 5 on Friday.

The bantams were idle due to the weather; as were the seniors. The seniors had hoped to play their league opener at home Sunday, May 25 against Linaia.

Still in baseball (?) last Friday the local grade 12's were given yet another lesson by a learned nine (teachers); to the horror of the combined student body (grade six and up), who saw the annual contest end in a decisive victory for the Socratic Side.

Coaches please phone in scores - 939-4145.

## FRONTIER DAZE

Twenty-five days till the biggest little fair in the West! Frontier Daze takes place June 21 and 22.

Preparations are going at a hectic pace to provide us with the best ever version of Frontier Daze. Plan to attend the festivities, invite your friends and relatives and have a pleasant visit right on the grounds. Admission is only one dollar, 12 and under are free.

This year there is a 100 silver dollar gate prize, two raffles to be held on the grounds (\$250 cash prize and a prime steer donated by the Morinville Auction Mart) and a big demolition derby featuring top prize of \$100. Saturday night will see two bands perform, "Sound Investment" at the arena and special for the teens "Privilege."

Entries are still being taken for the various events in Frontier Daze. Contact - Canoe races - Eva Coulombe, 939-4625; Tug-of-War, Gary Smith (G. P. Vanier School); Horseshoes - Denis Belanger - 459-3248; Demolition Derby - Paul Krauskopf, 939-4061

or Denis Belanger, 459-3248; Arts and Crafts - Rhonda Stapleton, 939-4055; Home Baking - Mary Hittinger, 939-4473.

Fashion Parade requires no advance entry, just show up Saturday, June 21 on the grounds. There will be three categories: Ladies, Men and Family group. See you all there!

Readers news tips are greatly appreciated and will be reported, time permitted. (Sunday evening last call for coming week's issue). Phone 939-4145 or call by at 9961 - 99 Avenue. Thank you!

Morinville Drum and Bugle Band will be holding a March for Music on June 1. We would like the support of

everyone.

Dr. J. Allan Maloney, chiropractor, travelled to Seattle, Washington over the Victoria Day weekend to attend a seminar on chiropractic techniques and analysis.

Joffe Clarice and Laurier Kremer recently flew to Victoria for a five day holiday.

# Sturgeon Regional Recreation Report

## REC FEST

Interspersed with Rec Fest '75 activities at Namao will be feature presentations by several groups from the Sturgeon area. The popular "Frontier Daze Dollies," a kickline made up of eight young ladies from Morinville will be appearing in the late afternoon on both Saturday June 7 and Sunday, June 8. The group has been together for the past two years and have appeared in Edmonton, St. Albert and at local events. The "Dollies" are Jan Gibeau, Colette Gibeau, Cathy Borle, Renu Khullar, Michelle Carignan, Louise Dupuis, Joanne Cormier and Linda Logan.

Other groups appearing throughout the event are presentations by Miss Marion Nicholson's jazz and tap dance classes in Bon Accord and Gibbons. The Highland dancers from Gibbons under the direction of June Fraser will dance at 3:45 p.m. each day.

There will be a karate demonstration by Ray Williams group from Namao. Karate has been taught in Namao for the past three years by Mr. Ray Williams of Edmonton who holds his black belt in Karate/Kung Fu. The course is open to all Sturgeon residents and runs in three separate sessions from September to May. Registration fees are nominal. If you're interested phone Sturgeon Regional Recreation (939-4317) for information.

The beginners violin section of the Camilla School (Riviere Qui Barre) orchestra under the direction of Mr. Bert Tutschek will also perform.

The Ukrainian dancing group, now in its second year will present numbers by both the junior group and the senior group. This year the class, which is held in Counado Hall, is taught by Mr. John Eshenko who is a member of the "Shumka Dancers" of Edmonton. This group has danced at local events and are a popular feature with their lively music and colorful costumes. Classes are held from September to May. Registration fees are nominal. Phone Sturgeon Regional Recreation at 939-4317 for information.

Also included in the festival will be displays of art and handicrafts from throughout the Sturgeon area, there will also be demonstrations of childrens pottery, copper enamelling, Ukrainian Easter eggs and many other crafts. Two feature films will be presented for the youngsters and there will be babysitting for young children, provided by the 4H groups. 4H groups from throughout Sturgeon will display their projects and on Saturday evening there will be a family wieners roast. Bring your own sticks! Along with all the Rec Fest activities, Namao will be hosting their annual gymkhana and horse show with a special presentation of the Klondike Mounted Square Dancers Sunday at 1 p.m.

Any community group wishing to participate in the program may contact Miss Janet Sherstabetoff, Sturge-

con Regional Recreation Special Events Co-ordinator,

at 939-4317. There are still openings in the program

schedule.

Watch for our newsletter in

the mail. "Everybody's going to Rec Fest '75 at Namao

on June 7 and 8. See you there!"

## What can this promising young writer say for you?

Good writers always know their subjects, and even though she may not know **you**, she **does** know what you want in the way of telephone service. She's one of AGT's ninety Service Order Writers. When you ask for an extension phone or a special handset, your request is relayed to her for processing, then forwarded to the serviceman who'll install the equipment.

Service Order Writers meet stiff deadlines. In one major centre alone, fifty writers handle almost 1,000 orders daily. Accuracy is essential — one slip in typing and you could be billed for a red desk phone instead of a black wall phone.

The pressure involved in providing fast,

efficient service has soared along with Alberta's population. During the past twenty-five years, customer demand for a wider variety of telephone service has increased dramatically. In 1950, there were 23,000 phone installations. The projected figure for this year is in excess of 265,000. Yet waiting time has been reduced from eighteen months to an average of five days in urban centres.

Twenty-five years ago the Service Order Writer's job didn't exist. It was created to meet an urgent demand. Today, when a writer processes your order for service, she says a lot for you. And a lot for AGT's ability to adapt and grow with Alberta

Keeping up with Alberta's growth — an ongoing challenge for all of us at

# GO CLASSIFIED FOR THE ACTION YOU WANT

## CLASSIFIED ADS DEADLINE TUESDAY -- 12 NOON

**Benanza Barley Seed**, germination 95%. Order early. **Ph. 459-5652** 6139/13/tfn

## ENUMERATORS

The Town of St. Albert requires census takers for the period between June 9th - 20th, 1975. The rate of pay will be supplied upon request. Anyone interested should contact the Personnel Department, Town Hall, Town of St. Albert.

## Town of St. Albert

## NOTICE TO ALL RESIDENTS

The municipal census shall be taken between April 1st and June 30th of each year. Population figures are important in the calculation of various forms of municipal assistance.

To comply with the Legislation, the Town will be conducting a census June 9th - 20th, 1975.

Your co-operation is appreciated.

# Building remains slow says monthly report

The building inspector's report for April shows that building permits issued to date this year are far below the number issued during the same periods in 1974.

During the month of April, 1975, there were 15 single family dwelling permits issued compared to 56 issued during the same month in 1974. The total number of single family dwelling permits issued to date is 69 compared with 281 issued to the end of April, 1974.

Other figures in the building inspector's report to the end of April, 1975, are: 139 improvements (31 in 1974), 38 garages (10 in 1974), two car ports (one in 1974), four single family dwelling extensions (three in 1974), and two industrial permits (none in 1974).

Available lots to date include 18 in Forest Lawn, 252 serviced in Lacombe Park, 124 serviced in Braeside, 11 serviced in Grandin Park, and 48 in Akinsdale.

Subdivision has been applied for 302 serviced lots in Stage V11, Lacombe Park (BACM), subdivision has been applied for 68 lots in Braeside, Carma 11, and 41 lots in Alcan V in Braeside. Plan has been registered for Qualico Stages 3 and 3A in Akinsdale and 400 lots are being serviced.

## FIRE DEPARTMENT

Twenty-one calls were received by the fire department during the month

of April for the Town of St. Albert which brings the total to date to 44. Two calls were received from the MD of Sturgeon which brings their total to six.

The St. Albert breakdown shows that none of the calls were buildings (the figure to date is seven), one call was related to an automobile (total to date is three), one call related to a rubbish fire (one call to date), 17 calls were classified as other in nature (total to date is 26), and two calls were classified as emergency (the figure to date is six). One false alarm has been received to date.

The estimated fire loss in April is \$3,900 and the total fire loss to date is \$16,900.

Two inspections were carried out by the department during the month of April (50 to date), 37 fire permits were issued (the total to date is 79), and eight lectures were conducted (the total to date is 19).

The volunteer strength of the fire department is 14.

## POLICE DEPARTMENT

The police department reports that there were 24 motor vehicle accidents during the month of April which brings the total for the year up to 114. A single injury is reported which brings the total for the year to 12.

Ninety-one Highway Traffic Act charges are reported with the total to the end of April at 189. Eight impaired driving charges are reported

which brings that total for the year up to 19. Fifteen charges were laid under the liquor control act and the total to this point is 34.

The total number of complaints received by the police department in the month of April was 290 and the total to the end of April is 977.

## ANIMAL CONTROL OFFICER

One hundred and fifty dog licenses were issued during the month of April and the total number issued this year is 546. Estimates set the number of dogs in the town at roughly 2,400. Unlicensed dogs, if apprehended, can have their owners heavily fined especially if the pet is at large.

License fees gathered in April totalled \$1,522 and the total this year is \$5,115. Tickets issued in April total \$230 (\$1,120 for the year), fines paid reached \$345 (\$1,135 total to the end of April), and impounding fees were \$45 (\$235 to date).

Twenty-six dogs were picked up during the month of April and 19 were returned to owners. The total for the year to the end of April is 96 picked up with 68 returned to owners.

Seven animals were destroyed during the month of April and the total to date is 51.

The animal control officer received 39 complaints about dogs (the total to date is 1,470) and five complaints

regarding cats (total to date is seven).

## SOCIAL SERVICES DEPARTMENT

The social services department reports that the number of unemployed employables in April was 11 with the total to date at 23. Nine of the unemployed employables are heads of families and the number of dependants is 48. Assistance paid during the month of April was about \$2,420.

Crisis cases which were handled by the social service board included two involving juveniles. One juvenile was kicked out of home by parents and the other absconded and was picked up by police and welfare authorities in Ontario. The social services department's involvement included counselling parents, young people, social act from school authorities and referral to D.H.S.D.

One crisis case came up in the month of April which involved the referral of a mother to the psychiatric unit of a city hospital. The social services department supplied transportation, contact with provincial social services, homemaker service, visits and follow up.

Three cases occurred in which there were families threatened by physical violence from alcoholic husbands. One case referred to the social services department came from a medical clinic while the others were

discovered through social service board contact.

Involvement of the social service board included Family Court, Legal Aid, RCMP, AA and emergency Supreme Court case for a Restraining Order and Petition for di-

vorce. The incidents involved changing locks on doors, moving family to a motel for protection, payment of rent, utilities, medicals, emergency clothing and extensive mileage.
